

MyToyota App – Hybrid Coaching - Guide

HOW TO USE HYBRID COACHING

STEP 1

Optimise your driving with the Hybrid Coaching feature. It analyses your driving behaviour to provide tailored guidance, to better understand the capabilities of your hybrid vehicle and to improve your driving performance.

Scroll down to the Hybrid Coaching service card.

STEP 2

Here you will see an overview of your driving history, total time and distance, -percentage of driving in EV mode and average fuel consumption.

Tap on "Overview".

HOW TO USE HYBRID COACHING

STEP 3

You will see your overall, monthly performance score, and more detailed driving data as well as to learn more on how to improve your driving performance.

To see specific trip information, tap on "Trips".

STEP 4

Choose one trip from the list.

HOW TO USE HYBRID COACHING

STEP 5

You can see your driving behaviour in more detail and get useful information about your trip.

STEP 6

Additionally, you can filter your trips into categories such as 'Personal' or 'Business'.

HOW TO USE HYBRID COACHING
